

Charsfield Recreation Ground is a registered charity run by volunteers. It is financed entirely through fund raising activities and donations. To enable the recreation ground to meet its legal obligations it is required to have elected officers to administer it.

There are currently vacancies for the role of **Secretary** and **Treasurer**. Please consider offering your services to your community and join our team.

Full guidance with regards to what is involved for a specific role will be given to those that become part of the Charsfield Recreation Ground Committee.

Chair

Gerry Smith
