

# Charsfield Parish Council 20mph Speed Limit Survey 2024

**Charsfield Parish Council needs your help, again!** Thank you very much for the great response to our road safety survey early in 2024. From that no-one will be surprised to know that "speed" was a comment from many people. So we have just one more very simple question for Charsfield residents.

It's just a Yes/No answer.

**Please do this survey.** It will stay open until 1 January 2025. As before there's no need to leave your name, it's anonymous, but it does help make sense of this all if you can tell us the street you live on.

As before, the Parish Council will pull together this data, which will be available on the Parish Council website and in the magazine in the near future. This will help us plan our village road safety changes over the coming years.

**Thank you!**

You can complete the survey by:

Printing this flyer and completing the slip below or completing the slip in the Parish Magazine and posting it through the letter box at **2 St Peters Close**

Or complete online by following this link

.....  
**Would you support a blanket 20 mph speed limit within the boundaries of Charsfield, excluding the B1078?\***

**YES            NO**

**Please name the street you live on in Charsfield**

*This helps us understand your feedback*
