Story of the Leggett family in Charsfield from 1700s now completed and published on the Charsfield website. This focuses particularly on James and Mary Ann, resident with their family in the mid-1800s at both Hill and Pear Tree farms. Remarkable is that 3 sons became vets (like their father), the other son married the daughter of a vet and a daughter, Betsey Ann, married a vet. Contact via Ancestry from a descendant of Betsey Ann has been a particular reason for fully documenting the research on this family.
