Why is Charsfield at risk of flooding - [Steve Aylward, CFAG](#)

What next ? - [SR, CPC](#)

Close (8.30-8.45pm)

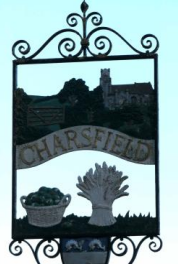

Why this meeting ?

- Update you on progress
- Show some possible flood alleviation measures for the Parish
- Have your say on how this goes forward

Our Flood Problem – 2 parts

- Village centre damage, Potsford Brook
 - 2026 work to reduce flood risk
- Wider parish watercourses feeding into the village
 - Multi-year, possible 2026 central Gov Flood fund application (via SCC)

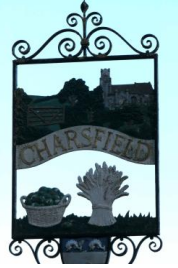

CFAG, Prevention & Early Warnings

Steve Moor - CFAG

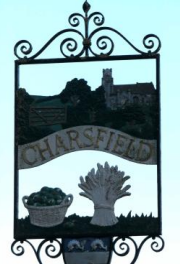

Why is Charsfield at risk of flooding?

Steve Aylward - CFAG

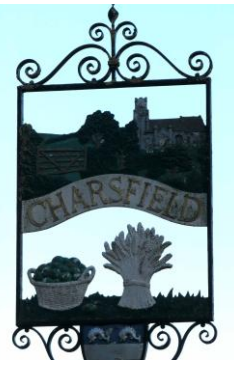

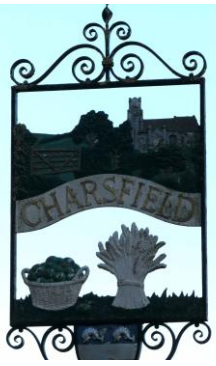

What next ?

- What can we do collectively?
 - Riparian owners – take action now
 - Community – fundraising
 - Relevant authorities' permissions as required
- Community approach - How do we fund the flood work/measures ?
- Pledges of support: Help and/or Financial contribution

Comments on what you've seen and heard tonight. . . ?
